

# CONSTRUCTION ZONE

**Construction Apprenticeships:**  
[www.migas.com.au](http://www.migas.com.au) | 1300 464 427

# Training Snapshot

4 year apprenticeship

Completion of Vocational qualification at Certificate level

Specialisations available in construction

Trade support loans and government incentives available for eligible applicants

# Career Outcomes

Supervisory and team leadership roles with a range of small, medium, and large construction and manufacturing companies.

Operate as a sole trader in a trade specialisation such as a Carpenter, Plumber, Tiler, or Electrician.

Progress to a small business owner and work on a range of private residential or commercial projects.

Work with large public or private companies that require skilled tradespeople on staff to maintain large infrastructure.

With further training, progress to more senior, specialist roles such as Construction Manager or Contract Administrator.

# Personal Attributes

Analytical thinker

Problem solving skills

Spatial awareness

Working from drawings

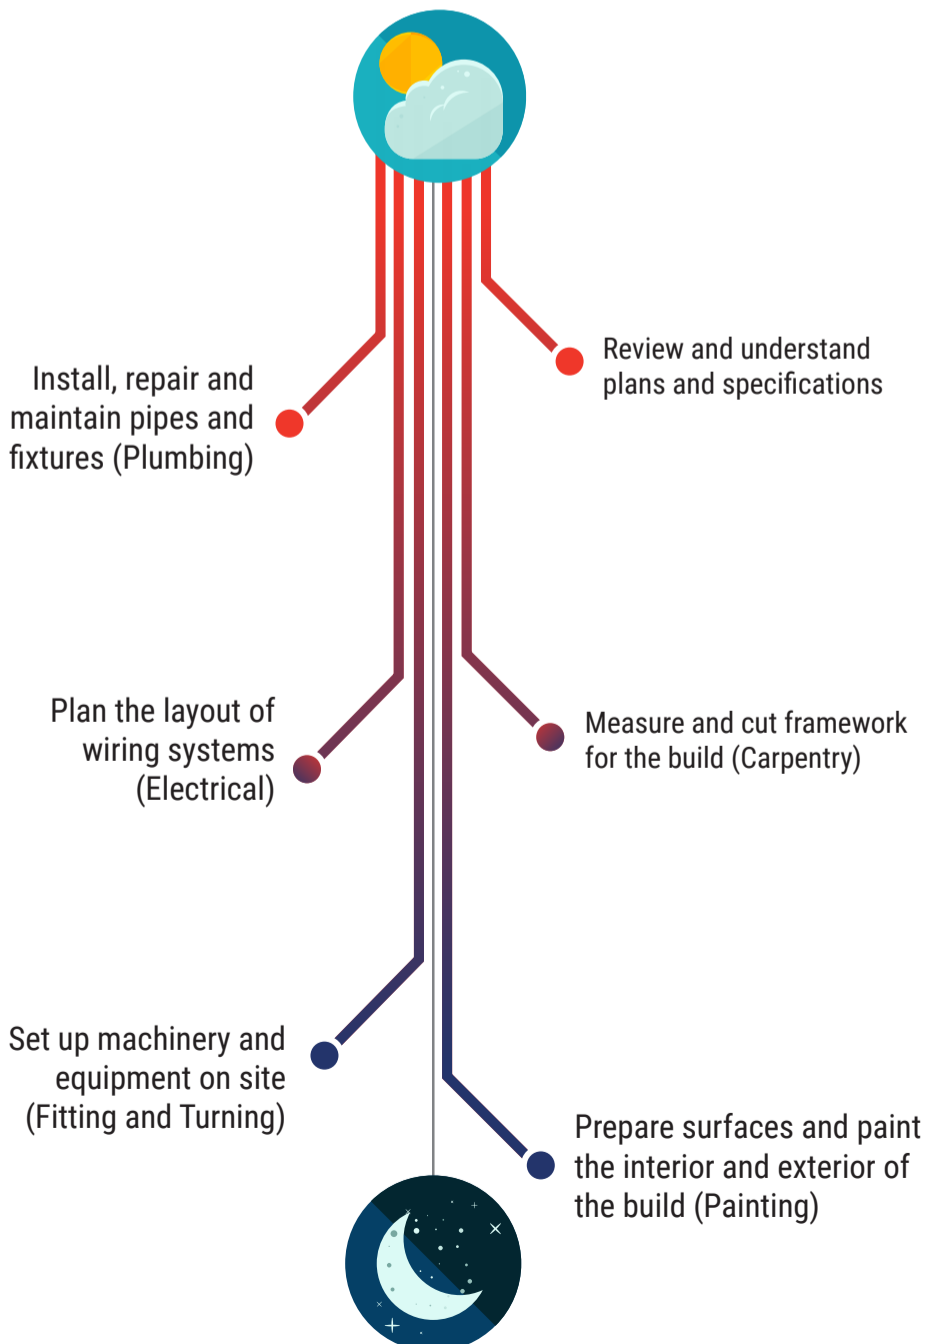

Normal colour vision

“Wormald is such an amazing place to work. I want to stay as long as I can and progress to a management role.”

- James Maslin  
Electrical Apprentice
