## COURSE GUIDE

SWQ Training Pty Ltd the industry leader in civil, high risk, safety, and plant training across the State. Providing flexible training options to support and service a wide range of businesses, employers and individuals, ensuring that all students are given the best opportunity to learn and grow in whatever environment their training needs encompass. Regardless of the situation, SWQ provides training that suits.

SWQ is a proud recipient of Construction Skills Queensland (CSQ) funding. CSQ is an independent industry-funded body supporting employers, workers, apprentices and career seekers in the building and construction industry. CSQ provides funding to reduce the financial obstacle to training, making upskilling an affordable option for many more individuals in the construction industry. Courses marked with an asterisk (\*) may be subsidised through CSQ for eligible students. Ask us today for more information on eligibility requirements and funding amounts, or visit [csq.org.au](http://csq.org.au).
