

Proud to be a Queensland Government subsidised training provider

USER CHOICE FUNDING

Interested in financial support to attain a quality and industry applicable qualification in Civil Construction? Get in touch with SWQ Training about our User Choice Funding. YOU COULD BE ELIGIBLE!

SWQ Training is a **Skills Assure Supplier (SAS)** through the Department of Employment, Small Business and Training (DESBT). The SAS system is designed to help students make informed decisions about their training, as well as aligning training investment options to the industry needs in Queensland.

As an SAS, SWQ Training is approved to provide User Choice funding to eligible Apprentices and Trainees in Queensland, as a contribution towards the cost of their training. The program supports the delivery of accredited entry-level training for the upskilling of workers through apprenticeships and traineeships.

Need more information?

For further information regarding the User Choice program, please contact the SWQ Team on the details listed below or visit: <https://training.qld.gov.au/apprenticeshipsinfo/apprentices/about>

Student Must*:

- » Have entered into or are in the process of entering into a training contract for an approved qualification funded by DESBT.
- » Live in Queensland
- » Be at least 13 years old and meet minimum age requirements for the apprenticeship/traineeship they are enrolling into
- » If under 18 years, have parental/guardian consent
- » Have not accessed two (2) or more qualifications under the User Choice program previously

**Further requirements may apply. Please contact SWQ Training to confirm eligibility or find our more information.*
