Training with SWQ Training

About Us

From small beginnings in the western Queensland town of Thargomindah in 2006, Director and trainer Mat O'Shannessy, established SWQ Training Pty Ltd. SWQ Training's mission of "Quality Training, Confident and Competent People", to Mat, means more than just training students to be deemed competent in the unit of competency. It also means to operate safely and efficiently in their job role.

What we offer our students:

- Full-time certificate training programs and part-time short course specifically designed to meet the needs of students and clients with a variety of delivery methods.
- Qualified Trainers and Assessors with years of industry experience and industry qualifications equivalent or higher than the qualification delivered and assessed
- Regularly scheduled courses and flexible onsite delivery to accommodate your needs.

Training & Assessment Services

Here are some questions to ask to help you choose the best course for your needs:

- What are your personal training needs to reach your career goals?
- What are your worksite requirements?
- Do you fulfil the pre-requisite requirements, if any?
- Do you have any prior experience/knowledge?
- Do you require support with language, literacy or numeracy?
- What time do you have to devote to your training?

SWQ Training can help you throughout the training process. Before training or at any time during training, you are welcome to speak with your trainer for support, or speak with the SWQ Training team to request assistance.

Training Needs Analysis

A Training Needs Analysis can assist with identifying the gap between training and the knowledge and skills required. An experienced trainer can sit with you to better understand your work tasks or prospective job role and identify the skills and knowledge required to perform competently.

Language, Literacy and Numeracy

If you have language, literacy or numeracy needs, assistance can be provided or additional support services can be recommended. The trainer can assess your reading, writing and maths skills with a Language, Literacy and Numeracy assessment. This assessment is necessary to identify:

- If you can complete documentation without assistance and follow written instructions
- If you have the numeracy skills appropriate to your chosen course
- If you have the oral communication and learning skills suitable for your chosen course
- If LLN support services should be recommended prior to commencing the course
- Your experience level in order to tailor our training to your needs.

If you believe that you may require additional LLN support, we appreciate you informing us so we can provide assistance or recommend additional support. Your trainer may modify your training or make reasonable adjustments to the assessment, but must always ensure that you are assessed to the level required of your course.

Recognition of Prior Learning (RPL)

The Recognition of Prior Learning (RPL) process can be used to fast-track the completion of applicable units of competency. The RPL assessment process evaluates the skills and knowledge gained through industry and work experiences, formal education or previous training. Any gaps identified will require training.

An RPL application must be filled out for the unit/s of competency, with evidence of previous certifications or industry experience to support the application. Once approved a Trainer will contact the applicant to determine the most appropriate assessment requirements.

Credit Transfer (CT)

If the same or equivalent unit of competency has been successfully completed with another RTO (Recognised Training Organisation), a Credit Transfer (CT) may be granted towards full qualifications. There is no cost involved for Credit Transfers. Credit Transfer information and application forms are available on request.

Third Party Training

SWQ Training occasionally offers training in partnership with Third Party providers. These providers are subject to change, but where applicable, will be detailed on the relevant course page. Please visit <https://swqtraining.com.au/> for more information.

Cancellations
